WE'RE NOT LIKE OTHER BUSINESSES...

WHO ARE WE?

The Community Care Crew is a social enterprise and program of Shoreline Community Services, a local nonprofit that aligns our unsheltered neighbors with the resources and services needed to end their homelessness.

WHAT DO WE DO?

The CCC provides meaningful transitional work to unsheltered neighbors, helping them get the fresh start they need. Crew Members benefit from individualized case management, receive counseling in career management/job placement, and are considered for temporary workforce housing as part of a complete program.

SERVICES INCLUDE

Concrete pressure washing, street cleaning, graffiti removal, light landscaping, custodial/janitorial work, event setup/takedown
