Mayor Todd Gloria

RE: H Barracks and “safe parking”

Dear Mayor Gloria,

The Pacific Beach Community Planning Group is in the Council District One stands in support of 200 additional “Safe Parking” spaces at the H Barracks. However, we are not in favor of additional construction on the site of a “sprung” structure or a homeless shelter. We appreciate the need for “Safe Parking” with the urgent need to get people off the streets and into a better living situation.

Marcella Bothwell, MD, MBA

Chair, PB Planning Group
