

Welcome to the Pacific Beach Planning Group Infrastructure Project Prioritization

With this sheet you should have:

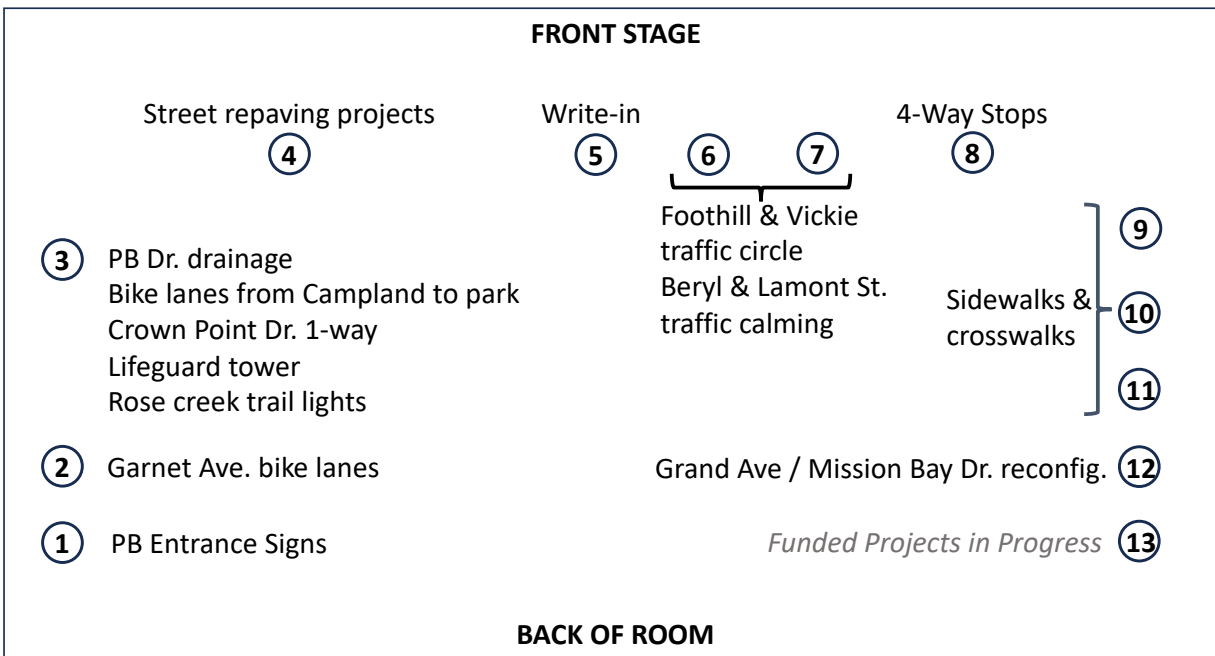

- 11 blue or purple sticky dots. (Capital improvement projects)
- 2 black dots. (Road repaving)
- 2 red dots. (4-way stop sign introduction)
- Rough map of the room showing the location of project posters.
- List of projects.

After an announcement at the meeting, you will have 30 minutes to walk around the project posters and vote for the projects you think have the highest priority. To vote for a project, place one (or more) dots on the project poster in the space indicated. You can use all your dots on one project, or you can spread them around and put one dot on each project you consider important.

Each poster will have 2 or 3 colored dots next to the area where you will place your dot(s) to indicate what color dot you should put on the poster to register your vote. Use only dots of the correct color to register your votes. Votes using a different color dot will not be counted.

A member of the community wearing a name badge will be stationed next to or close to each poster to answer your questions about specific projects.

Here is a rough map of the meeting room with numbers corresponding to project poster locations. A list of project posters by numbered location follows after the map.

TURN OVER THE PAGE

| Location | Project title |
|-----------|--|
| 1 (Blue) | Install Pacific Beach “entrance sign” at westbound Balboa Ave. |
| 1 (Blue) | Install Pacific Beach “entrance sign” northbound at the Ingraham St. bridge. |
| 1 (Blue) | Install Pacific Beach “entrance sign” southbound on La Jolla Blvd. |
